### **Rich Brennan: A Voice Forged in Service and Experience**

From the deck of a U.S. Navy ship to the tracks of the Long Island railroad, Rich Brennan has always known the value of hard work. For over 30 years, he's paired that grit with a "radio-ready" voice that captures attention and earns trust.

After honing his craft at legendary New York stations like WBAB and WBLI, Rich founded **JustMyVoice Production** in 2001. Today, with over 5,000 paid recordings and 70+ audiobooks to his credit, Rich provides world-class voiceovers and full-scale audio production from his studio in Las Vegas. Whether it's a high-energy commercial tag or a nuanced narration, Rich delivers professional, broadcast-quality audio with a 24-hour turnaround.
